Dear Ericka Dixon-Williams:

We would like to thank you for your generous donation of \$1090.00 raised from Avery's Journey "Celebration of Life" Fundraiser.

Your donation has helped improve our campsite to ensure that the children and the families of Camp Trillium receive the best possible program we can offer.

Camp Trillium provides year round programs for children living with cancer and their families in the province of Ontario. Our programs range from youth and preschool groups in various communities to residential camps to in clinic programs at the children's cancer clinics around the province. With over 2700 campers we rely on the support of people like you to make sure we are able to provide programs to families at no cost during this hard time. Our hope is that we can take children away from the daily challenges of cancer treatment and provide some fun and happiness through canoeing, crafts, campfires and more.

Warm Regards,

Marci Shea-Perry
Executive Director
